NEW BUSINESS

NB #1: FIRST READING OF AN ORDINANCE FOR RIGHT OF WAY ABANDONMENT IN BLOCKY OF ENDERLEY HEIGHTS

Mr. Roberts presented the request from RYT, LLC, owner of the former Northwest Hardwoods sawmill property off Linden Avenue and 10th Street, to abandon portions of a platted City alley and a segment of Piedmont Avenue that have long functioned as part of the sawmill property and lie within its fenced area. The proposed abandonment would not affect access to the residence at the end of Piedmont Avenue. The areas proposed for abandonment total approximately 12,600 square feet, with an estimated value of \$9,450 based on the 75¢ per square foot formula. The Planning Commission discussed the request at its November meeting but was unable to take formal action due to the lack of a quorum; however, the members present raised no concern.

Ms. Burch presented the following Ordinance:

Abandonment of Public Right of Way Alley within Block Y, Section E & West End of Piedmont Avenue

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BUENA VISTA, VIRGINIA, that in accordance with Section 15.2-2006 through 2008 of the Code of Virginia, as amended, that the public right of way described in “Exhibit A”, “Exhibit B”, and “Exhibit C”, attached hereto, (“the Property”), shall be vacated and abandoned upon receipt of the consideration noted in “Exhibit A”.

BE IT FURTHER ORDAINED that as a condition of the aforesaid abandonment and vacation, the City retains a perpetual easement over, under, and across the Property for the installation, maintenance, repair, or replacement of all utilities, including, but not limited to, water and sewer lines; electric; cable; telephone; and gas lines; and garbage pick-up.

BE IT FURTHER ORDAINED that this ordinance shall be recorded in the Clerk’s Office of the Circuit Court for the City of Buena Vista, Virginia, and indexed under the names listed in “Exhibit A.”

This ordinance shall be effective 30 days following adoption by City Council.

NB #2: ADOPTION OF A PERFORMANCE AGREEMENT BETWEEN THE CITY OF BUENA VISTA & THE MODINE MANUFACTURING COMPANY

Kristina Ramsey presented an overview of Modine’s announced expansion in Buena Vista, thanking Modine for their long-standing partnership with the City. She noted that Modine has operated in Buena Vista for more than 60 years and is the City’s largest employer, currently employing approximately 268 people at its Magnolia Avenue facility.

Miss Ramsey reported that Modine has purchased the former REA Wire building on 10th Street, adding approximately 169,000 square feet to its operations and expanding its heating division, including new testing and office facilities, and relocation of the division’s headquarters to Buena Vista. The project represents a \$19.6 million capital investment, the creation of 57 new direct jobs with wages significantly above the City’s prevailing wage, and additional indirect jobs.

She explained that the project was competitive with out-of-state locations and the state and local incentives were critical in securing the expansion. The Commonwealth awarded a \$300,000 Commonwealth Opportunity Fund grant, contingent on a dollar-for-dollar match from the City, along with support through the Virginia Jobs Investment Program. The City’s proposed incentive package, developed under the existing public-private partnership policies, is performance-based and includes a rehabilitated real estate tax exemption, partial machinery and tools tax rebates, building permit fee rebates, and water and sewer credits. The total City investment is \$300,121.20, meeting the required match.

Miss Ramsey noted that incentives are contingent upon verified job creation and capital investment benchmarks and will not reduce existing City revenues. Based on economic modeling, the City is expected to realize a return on investment before the end of year four, with an estimated three-to-one return by year ten.

Councilmember Henson made a motion to **approve** the Agreement. Councilmember Coffey seconded the motion, and it was carried by Council. Ms. Burch competed a roll call vote of Council as follows:

Member	Present	Absent	Yes	No	Abstain
Councilmember Henson	X		X		
Councilmember Poluikis	X		X		
Councilmember Webb	X		X		
Councilmember Coffey	X		X

Mayor Cooper	X		X		

The Performance Agreement was unanimously **approved**.

Steve Bolster presented two school-related appropriation items for Council’s consideration. The first is a School Security Grant. In September, the school division was awarded a Virginia Department of Education school security grant totaling \$74,426. City staff and the school division are coordinating to ensure appropriations at the Council level align with school-level spending. The second appropriation request was for the School Nutrition Fund carryover. The school division has a carryover of \$43,197 from the previous year in the School Nutrition Fund. The School Board approved this carryover in October, and Council is being asked to appropriate the funds to maintain alignment with the School Board.
